

**YOU
COULD
SAVE A
LIFE.**

3 Reasons to take a CPR & First Aid class:

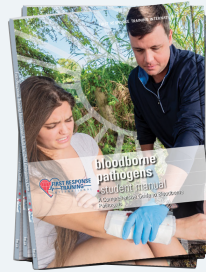

1. Most emergencies happen at home; help keep loved ones safe
2. Gain the confidence to act in a cardiac emergency
3. Help reduce the severity of injuries

CPR, AED & First Aid Programs we offer:

Adult, Child
& Infant
Emergency Care

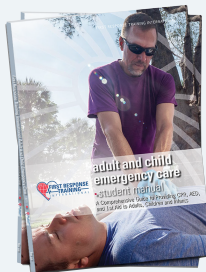

Bloodborne
Pathogens

Workplace
CPR/AED

Child & Infant
Emergency Care

It's easy to get started with our online training:
