

**YOU  
COULD  
SAVE A  
LIFE.**

# 3 Reasons to take a CPR & First Aid class:

1. Most emergencies happen at home; help keep loved ones safe
2. Gain the confidence to act in a cardiac emergency
3. Help reduce the severity of injuries

## CPR, AED & First Aid Programs we offer:

Adult, Child  
& Infant  
Emergency Care

Bloodborne  
Pathogens

Workplace  
CPR/AED

Child & Infant  
Emergency Care

It's easy to get started with our online training:
