

THE END

IS NEAR

**OUT WITH
THE OLD
IN WITH
THE NEW**

Our CPROX programs are going away on December 1st, 2019, but we are replacing them with something epic.

First Response Training International is HERE!

Bring your First Aid and CPR training into the 21st century with the same parent company you know and love, International Training.

You're an International Training Instructor, so take advantage of our new CPR, First Aid, AED and O2 provider programs. Blow your customers away with video based eLearning, and awesome programs.

Ready to teach the new program?

Learn about crossing over by visiting our website at:
www.firstresponse-ed.com/become-an-instructor

Or call us for a **FREE** code to test drive our new eLearning!
