

2021 First Response Training International Training Update

As members of International Training, you have agreed to review all standards and procedures changes in Training Updates throughout the year. This is required reading for all International Training Members. Please download the current version of the standards. If you're still using paper manuals, please make any necessary revisions in your SDI/TDI or ERDI Standards and Procedures Manual upon reviewing this update. First Response and PFI Standards and Procedures are digital only, so please download current standards. All section and item numbers listed below reference the 2020 standards.

Current Version is Revision 21.0, issued 01/01/21.

First Response Training International Standards and Procedures
