

2023 First Response Training International Training Update

As members of International Training, you have agreed to review all standards and procedures changes in Training Updates throughout the year. This is required reading for all International Training Members. Please download the current version of the standards. If you're still using paper manuals, please make any necessary revisions in your SDI/TDI or ERDI Standards and Procedures Manual upon reviewing this update. First Response and PFI Standards and Procedures are digital only, so please download current standards. All section and item numbers listed below reference the 2022 standards. Change tables for each agency's standards to be updated to summarize the specific changes below.

Current Version is Revision 0123, issued 01/01/23

First Response Training International Standards and Procedures

Changes affecting First Response Training International standards for 2023 include:

- Clarified teaching requirement for instructors to maintain active status
- Added suspension/termination for cause clause

Part 1: Introduction

6.3 Active Teaching Status

Item 4, first sentence, replace "at least one course" to "at least one First Response course in the last two years."

6.7 Expelled Status

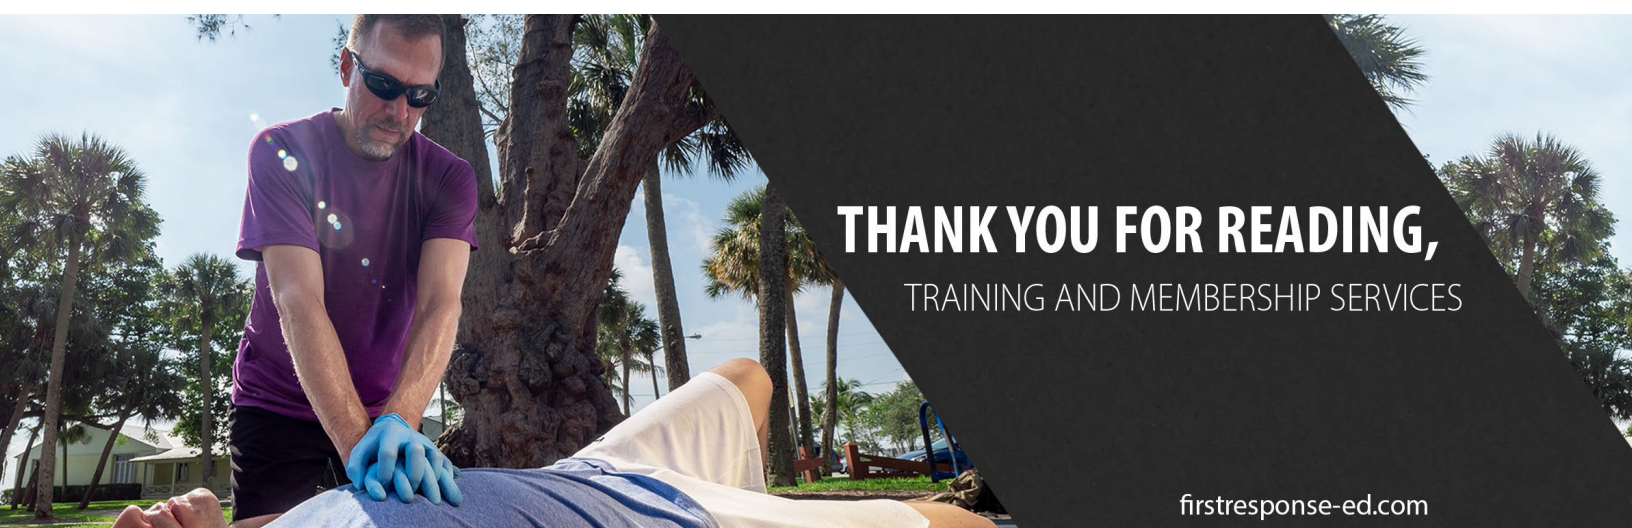

After existing Note at end of section, add new clause:

Suspension or Termination For Cause - International Training may suspend or terminate membership for Member's commission of any act: (i) involving (A) a felony or (B) repeated use of drugs or intoxicants; or (ii) which disparages the business integrity of International Training, its parent Corporation or subsidiaries or affiliates or their officer directors, employees or customers, and materially and adversely affects the business reputation of International Training.

Part 4: Forms

1.3 First Response Instructor Registration and Upgrade form - Directions added to include Member Agreement, payment info removed

1.7 Member agreement added
