

As members of International Training, you have agreed to review all standards and procedures changes in Training Updates throughout the year. This is required reading for all International Training Members. Please download the current version of the standards. All section and item numbers listed below reference the 2023 standards. Change tables for standards to be updated to summarize the specific changes below.

Current Version is Revision 0124, issued 01/01/24.

First Response Training International Standards and Procedures

- Diving language removed from Member Agreement – download new form
- Part 4 - Forms section moved from standards to Members Forms section of website

Part 1: Introduction

1. Standards and Procedures Manual

Replace sentence starting “Orders or registrations can be faxed...” with the following:

Orders may be submitted by email to your regional office 24 hours a day. Registrations should be processed in the members area of firstresponse-ed.com.

Part 2: Provider Standards

5. Oxygen Administration

5.11 Required Skill Performance and Graduation Requirements

Note: Change “ren” to “renewed.”

Part 3: Instructor Standards – No changes
